MAGEN AND JESSIE

Jessie and I shared a Biology 204 class at the state university. I lived on campus and she was a townie. We spoke on occasion, but this time she invited me back to her place to study. I agreed and we did, but later that day we had dinner together. When it was time for me to go, she asked me to stay. We became lovers that very night.

A boring bus ride turns into an encounter with a sexed-up widow

Bus Pass

It was two a.m. The inside of the bus was dark. Most of the passengers were sleeping. There was a blanket over my lap, but not because it was cold. It was to cover what my seatmate, a horny widow, was doing.

Her hair tickled my navel as her tongue worked its magic on my dick. This woman was giving me an expert blowjob. I bit my lip to keep from screaming as she sucked me closer and closer to my peak.

I had gotten on the bus expecting a long, hot, boring ride. I usually hate bus rides because it takes three times as long to get where I'm going. They seem to stop every 10 minutes. But this time I didn't care if we ever got where I was going.

The trip had begun exactly as I'd expected. I chose a seat in the back of the half-full bus. But as usual, I soon had a seat companion. She looked to be in her early fifties, wearing a plain print dress with small flowers on it. She smelled like bath powder.

I tried to ignore her. I was hoping she wouldn't want to make small talk. "How far are you going?" she asked. Her voice was warm and friendly.

"Charleston, ma'am," I answered politely. Then I closed

my eyes, as if I wanted to take a nap. My ruse seemed to fool her. She asked no more questions.

I guess I really did fall asleep, because when I woke up the bus was dark. Grandma's head was on my shoulder. I didn't have the heart to disturb her. Besides, one of her large, soft breasts was plastered up against my arm. It felt good.

Her dress was up over her knees and her legs were still very shapely. The more I looked at her, the better I liked what I saw. Her hand slipped from the armrest and fell to my lap, but she seemed to be asleep. Her fingers rested on my crotch.

For the next few miles we rode like that, with her hand resting on my prick. Soon it began to respond. I could feel it stiffening.

It amused me to imagine this woman's reaction if she would wake up and find her hand in a stranger's lap. I wasn't sleepy; I felt impish, so I eased my hand over and touched the inside of her bare thigh. I was surprised when her legs opened wider. I wondered if she was dreaming of her late hubby.

She must have been dreaming, because soon her hand began to squeeze my stiffening prick. Still, she slept... or so it seemed. The touch of her fingers on my prick was frus-

trating. I suddenly felt daring. I gently unzipped my pants and placed her hand over the real thing.

She gripped it tightly. Then she cleared her throat and snuggled her head deeper into my neck. Her hands very slowly pumped my shaft up and down. She had a loving touch. I was ready to come all over her hand.

I moved my hand farther up her dress and awakened her when I reached up to touch her pussy. She wasn't wearing panties!

She continued to jack me off as I ran my finger up and down her surprisingly wet pussy. There was still fire in the old furnace.

"Tell when you're ready to come. I'll swallow it," she whispered, never opening her eyes. She had been jerking

I unzipped my pants and pulled out my stiff dick. It slid in easily to the hilt of her hot, wet pussy. She was tight, very tight

me off but good! Her hand was rapidly taking me to the point of no return.

I was embarrassed, but too excited to stop. I put my lips to hers and gave her a peck. She reacted like a starving woman. She crushed her lips to mine and probed my mouth with her tongue.

"Now, now!" I gasped as the first spurt erupted from my throbbing pole. Instantly her head was in my lap, sucking up every drop. She sucked until my cock shriveled and withdrew into my pants. Then she sat up and licked her lips like a satisfied mother cat.

We talked for a while afterward. She was actually a grandmother and on her way to visit her grandkids. She had been a widow for two years and she hadn't been getting any sex lately. She and her husband had been sexually active until the day he died. But now, she wasn't getting anything except respect as a grandma. She really needed someone to treat her like the horny woman she was.

I guess I felt sorry for her, and if she wanted me to fuck her brains out, that's what I would do. I tried to imagine her pussy and decided it had to be something special. A horny woman, two years without sex. She would be wild!

I told her I had enjoyed her sleeping sex game and asked if she had any more tricks up her dress. She suggested her husband's favorite game. We would make each other's favorite fantasy come true. She said I could go first. All I had to do was tell her, and she would do it. Anything!

What a way to kill a dull bus ride. I thought for a while before I told her my wish. I wanted a zipless fuck in the bathroom of the bus. She smiled, straightened her dress and got up. I waited a minute and then followed her. Every-

one on the bus seemed to be sleeping.

I tapped on the door and she opened it. She was naked. Her body was beautiful, considering her age. Her breasts stood firm and proud, the soft, pink nipples erect. Her bush was a hot shade of red. She had the body of a woman 10 years younger. My dick was instantly hard again.

"Bend over the sink," I told her. As she did, I unzipped my pants and pulled out my stiff dick. It slid in easily to

the hilt of her hot, wet pussy. She was tight, very tight, and she milked my prick as I pumped. “My ass,” she gasped. “Fuck me in the ass! I’ve never had it there.” It was my first time too, and the thought made my balls ache. I pulled my prick from her tight pussy and spread the cheeks of her ass apart.

My stick was wet and juicy from her cunt, but still it was difficult for me to get it in her asshole. Finally I managed to get the head inserted. I reached around her body and

caressed one tit as my other hand diddled her clitoris. She was writhing and pumping with both pain and pleasure.

Inch by inch I stretched her virgin hole. It was so hot and so tight. I watched her contorted face in the mirror. Her eyes were closed, but she was smiling. I couldn't believe I was fucking a grandma up the ass in the bathroom of a bus. It was the wildest sex of my life! I wanted to ram her, pound her, rip her apart, but she was treated with respect by everyone; she really wanted to be treated like a woman.

“Harder, fuck me harder!” she panted, as she thrust her hips back against me. She went wild! So did. I pumped, pushed, rammed and snorted, as the cum poured from my balls and into her virgin ass. She came twice and then broke in to tears.

I left the bathroom and went back to my seat, feeling completely drained. A few minutes later, Grandma joined me. Her tears were gone now, and she smiled lewdly. “It’s still dripping from my ass,” she giggled. “Your cum tickles.” I felt a twinge between my legs. This lady had a way of getting to me that I had never felt before.

Her warm mouth sucked gently on my noodle. There was no response from me until the tip of her tongue began to tickle my piss hole. It was magic!

“Can I sleep with my head in your lap?” she whispered. “I could sleep so well with your cock against my face.” I agreed. What could it hurt?

She laid her head in my lap and I covered her with a blanket. I almost fell asleep while enjoying the feeling of her warm face against my crotch. Then I felt her fingers pulling down my zipper. Next she pulled out my limp, tired penis. She was taking her time, but I didn't object.

Her warm mouth sucked gently on my noodle. There was no response from me until the tip of her tongue began to tickle my piss hole. It was magic! My prick got hard instantly. Granny mumbled something, but her mouth was full of my dick I couldn't understand what she was trying to say.

She kept my dick hard for miles, before she finally brought me off again. Her magic tongue was like a butterfly flittering over my swollen prickhead. She swallowed gulp after gulp of my cream. She didn't miss a drop. She fell asleep with my dick still in her mouth. I was sorry to end our fun, but I had to wake up Granny as the bus approached Charleston.

I got off the bus and noticed that a young soldier got on and sat down next to Granny.

“How far are you going?” he asked her.

All the way, I chuckled to myself. All the way.

For those of you who have watched all my videos, I love you. For those who have only seen me in a few, I hope you'll watch more. And for those who are just tuning into me, I hope you'll become fans because I'm here to suck and fuck until I cum – and you cum. So for you fans and Mia's newbies, let's get this party started.

DO YOU LIKE MY BIG BOOBS?

DICK BY THE YARD

The yardman's son cops a cherry

He was our landscaper and didn't speak a lot of English, but when he took off his shirt I knew he was the dude I wanted to fuck me. Then his son showed up to take his place, and he was even better looking than his dad. Better yet, I didn't have to worry about him understanding what I wanted.

My mom was getting her hair done, and the landscaper's son and I were alone in the potting shed. I pulled up my short skirt and showed him I didn't have any panties on. He dropped to his knees and began to kiss my pussy.

"You taste like honeyed mangoes," he mumbled into my soaking-wet labia, and I gushed even more. He licked up my juices and ran his nose up and down my slit, tonguing me as he went.

I told him it was my first time getting it from one of our gardeners. "I am honored," he said. His black lash-

es fluttered over his glittering black eyes, and I knew I had made the right choice.

When he pushed down his pants, I wasn't quite as sure. His dick was much bigger than I had expected. That dark, smoky sausage—almost black—curved up with a big, dark-red hook at the end. I could feel my pussy clinch shut.

He continued to undress. His body was so beautiful—his butt so firm and tight, and the dark pack of balls snugged under his dick so innocent and vulnerable looking that—I began to relax a little bit. He undressed me and stroked my breasts and kissed them gently.

"You are so beautiful. Your skin is like the finest cream." He suckled on my breasts. His voice was dark and sexy and his eyes were smoldering. It was just what I needed.

He guided my hands to his huge hard-on and said, "It is yours to do with as you please...only when you please." And then he began to kiss me all over my cheeks and forehead and down my neck.

I put my hands on his tight, hard butt and pulled him to me. His dick felt like it reached almost to my boobs. It

felt hot and hard against me. I couldn't imagine how that thing was going to get all the way inside, but my pussy sure had a different idea. It was juicing up like crazy. The tight, tingling folds kept on tightening and relaxing, the muscles squeezing his huge leg of beef.

The hunk's mouth closed over my nipple, and his hand began to pluck at my other one. I figured maybe my pussy knew something I didn't. Go with the flow, I thought. How bad could this be? He sure seemed to know what he was doing.

I imagined a string of happily satisfied señoritas in his handsome wake. Maybe his dick was so big because he gave it such a workout.

I began to get giggly. His mouth was all over my breasts, and his hands were all over my ass and thighs. I began to wish he would hurry up and get to my pussy. It was getting even more anxious.

He laid me gently down on the floorboards of the shed—he had spread out our clothes—and went to work eating me out. His lips raked over my labia, and his thick tongue pushed inside and stroked up and down over my clit.

I gasped and grabbed for his dick.

I wanted to feel it in my hand as he ate my pussy. He maneuvered his hips so I could get hold of him. When I did, his huge shaft felt wonderful in my grip. It was so hard and powerful and manly. My pussy writhed against his mouth and tongue, wanting the powerful rod to split it, to push it wide open and sink in as deeply as possible.

Somehow he knew. He could tell I was ready. He pulled me up. "I will lie down and you will be over me," he said. "That way, I am yours." He turned and stretched out under me, and it was the most exciting sight I had ever seen. His dick throbbed up off his stomach, dripping with sticky lube. My pussy twitched. I could feel my juices running down my leg.

I crawled over him, and he guided the pointy-nosed hook into my slit. It nuzzled in and went deeper than his tongue, deeper than my fingers, deeper than the dildos I had used. More and more of his hard meat pushed inside me. I stretched wider and wider. My insides filled up. My clit scraped against the hard, invading ramrod, digging into its surface.

I settled my pussy-lips against the black tangle of pubic hair and felt his tight balls against my legs. I couldn't believe it. What pain I'd felt as I stretched to my limit was washed away with the amazing heat and fullness deep inside me.

I began to rock back and forth, feel-

ing the huge meat move inside me. It was awesome. Next, I lifted up my hips and dropped back down. He groaned, and his dark eyes closed. His mouth fell open. I knew just how he felt. I began to pump my hips, driving his massive pole in and out of me. His fat head dragged back and forth deep inside, its wide, thick flange rippling over my clutching pussy-muscles.

I came. My whole body came. Every fiber of my being exploded with how good it felt. I could feel him gush his hot cum deep into my pussy. He filled me up with his hot, boiling seed.

I lay on him, gasping for breath, my breasts pushed hard into his muscular chest. I could even feel his hard little nipples. His dick was still buried deep inside, still hard. As it began to soften, my pussy-muscles clutched and grabbed it, squeezing it, keeping it hard.

He opened his eyes—big, black, moist orbs. He grinned. "Again?" I grinned back and nodded eagerly. It was even better the second time, and the third.

We were working on the fourth time when his dad caught us.

His dad isn't hung nearly as well, but he fucks with an ease and elegance that I guess comes only with experience and age.

I'm thinking about spending the summer in Mexico.

—*Jackie, California*

A REAL SCREAMER

*Fucked my share, but this one
had the best vocal chords*

"Allie, I'm Allie." That's how she introduced herself at the club. We were at 'Loins' just off Seventh and Elm. We were both pretty wasted but managed to find our way back to my place.

We continued 'partying' until about 3 am when things began to get hotter and soon we were naked and in my bed. I don't even remember taking our clothes off, but that didn't matter.

I laid back and within minutes her mouth was around my cock making it harder and harder. I returned the favor by spinning her into a 69 with her on top. She made a lot of noise slurping on my dick — a preview of what's to come.

She got on all fours and I grabbed my cock and guided it into her pussy. That's when the screaming began.

"OOOOMMMMYYYYYGGG-GOOOOSSSSHHH!!!" she screamed out. "Fuck that tight pussy harder!" I sped up inside her wet dripping goldmine. I loved fucking her from behind.

"You like that fat dick in your pussy?" I yelled as I smacked her ass.

"Yes!! Yes! I love it! Fuck my tight pussy!" I loved the sound of that. It

made me want to ram her into the wall. I grabbed her hair and pulled her head back. “UUUGGGHHHH, so good!” she yelled. I twisted her long slick black hair and drilled her wet pussy deeper. I could feel her walls tighten on my rock hard dick. She started screaming loudly. “I’m CUMMMMMMING!!!” As if on command her wet pussy juices began to flood down my dick.

“OOHHHHH!!! Don’t stop, please don’t stop!” But I pulled out and laid her on her back. This is the first time I actually got a good look at her boobs. Nice. They were small but firm and her nipples were large and felt hard to my touch. She looked up at me with her lustful eyes. “You think you can handle some more?” I asked already knowing the answer. I laid on my side and put her leg above her head. I pulled her closer to me and laid my fat hard head on her throbbing clit and slowly started to rub it with my cockhead.

It didn’t take long before she started moaning. “Please, please don’t tease me.” she purred softly. “What? I can’t hear you.” I said playfully. I started to speed up until she couldn’t handle it anymore. “If you don’t slam that dick in me, I’ll do it myself!” she demanded.

I started to laugh, and she moved her free hand and jammed my dick

inside her. “Well I warned you!” she yelled with excitement. “So you think your in charge huh?” I replied, moving my hand from her boobs to her neck.

I pushed it in deeper and started to drill her sweet pussy harder. I leaned closer to her ear. “I want you to rub your clit for me Allie.” “But I want you to do it.” she cooed. I nibbled on her ear. As an incentive I started to thrust harder. She began to slap her swollen clit with my every stroke. “OOOOHHH, IT FEELS SOOOO GOOOOOD!” she exclaimed.

I started squeezing her swollen nipples and nibbling on her neck. “Mmmmm feels so good!” I started fucking her soaking pussy harder. Faster and faster I couldn’t get enough of her tight pussy. She started moaning loudly, filling the now quiet room. I picked her small frame up off the bed and slammed her against the wall. I opened her legs as wide as I could and slid her down on my dick. She let out a short loud “OOOHHH” and threw her hands behind my neck. I started hammering her wet pussy harder, slamming her faster and faster.

She wrapped her legs around my hips so I could get in deeper. She started to dig her nails into my back. “I’M READY. KEEP FUCKING ME.

FASTER, HARDER!” I sped up my pace and slammed her pussy harder “I’MMM CUMMMMMMING!!!” she yelled. I could feel her floodgates open as cum started dripping down my legs. I moved her back to the bed and laid her on her back.

“That was so good! I loved every moment you were inside me!” “I’m not done with you yet babe” I explained. “What do you have in mind?” she asked.

Without a word I got on my knees and opened her legs and started to slurp her sweet, moist lips. I could hear her moan my name and tense up. I grabbed her hips and held her down. “It feels so good!!!”

“Stop moving babe” I said playfully. She complied but only for a little bit. As soon as I began swirling my tongue on her plump clit she started bucking her hips again. I pushed her legs back over my head and slurped faster. “OOHH MY GOSSHHH I’MM GONNNAAA CUMMMM!!!” I loved the sound of that. Her juices started gushing out of her again. I slurped her sweet pussy juices up until she was dry. “That was awesome baby!” she said excitedly. I got up beside her and held her tight. “Can we do it again tomorrow?” We said in unison as we drifted off to sleep.
